Subject: Neshaminy Greenway Trail - Dark Hollow Park - Project Update
Date: Monday, April 19, 2021 3:47:19 PM
Attachments: [image001.png](#)

Good afternoon everyone,

As part of our ongoing commitment to transparency and communication, we wanted to inform you that the third meeting of the Citizens Advisory Design Committee (CADC) was held last Thursday evening, April 15.

While these meetings are limited to the committee members, the recorded meeting video, meeting minutes, and work materials are available to the general public.

The meeting minutes, recorded meeting video, and a PowerPoint presentation regarding environmental concerns presented by a contingent of the CADC can be accessed in the CADC Meetings folder found in the data portal located here: <https://trails-bucksgis.opendata.arcgis.com/pages/ngt2-dark-hollow>.

Please contact us with any questions.

Paul W. Gordon
