

**Rule 5.6A            Appointment of a Guardian for the Estate or Person of a Minor**

In lieu of the entry of bond, the court in appropriate cases may authorize the guardian to deposit the funds of the minor in an interest-bearing federally insured savings account, certificate of deposit or credit union account or an account investing only in securities guaranteed by the United States government or a Federal governmental agency managed by responsible financial institutions. The account(s) shall be marked “not to be withdrawn until the minor reaches the age of eighteen (18) years, except for the payment of local, state and federal income taxes on earnings of the certificate or account or upon further order of the court.” Evidence of the deposit or investment marked to indicate the restriction, shall be promptly filed with the clerk.
